Bucky,
What a dumby I am
to write in Janices book.
Oh well. I know we haven't
been the best of friends
but at least we got better
toward the end of the year.
Youre really a sweet guy.
Hope to see you alot this
summer.

friends always
Jamie

Hey Buck sorit

As you know I really
sot into your group
and your music. I
think you guys can
really go a long way
if you stay at it.
Good Luck!!

Rob

Jerry Bucan

Hey Buc,

Have fun partying this
summer and have
fun playing in the
band too.

"Blowhard"

Bucky,
It was great
having you in English
class or else it would really
have been boring. See ya this
Summer and I hope I get to
hear you guys play some time

Mark Fehrman

Yo Buc!

Bucky,
at last this boring
year is over. Im really
glad I got to know
you! Your really
a super person!
You have alot to
look foward to!
Your group is great!
Youll go a long
way! Good luck
and much sucess!

Love
Jodie

Bucky,
I don't really what all to write but I guess I could begin with thanks for being so super! You are a really great person to know and have as a friend I'm lucky I guess!? I really hope that as life goes on we can become even better friends. You don't know this but I really learned alot from you! You are something special!! This summer is going to be the best. I really love being with you and Kim, I don't even feel dumb being around you two. Its just great.
Anyway, take care of yourself and don't forget me when your travelin' around the world makin it big cuz you really are a great guitar player don't let anyone tell ya anything but that, and also take care of Kim as long as you can cuz she's the best!
Well not much else to say but thanks and see ya much. Take care and good luck forevers!

Love & friends
Always!!!

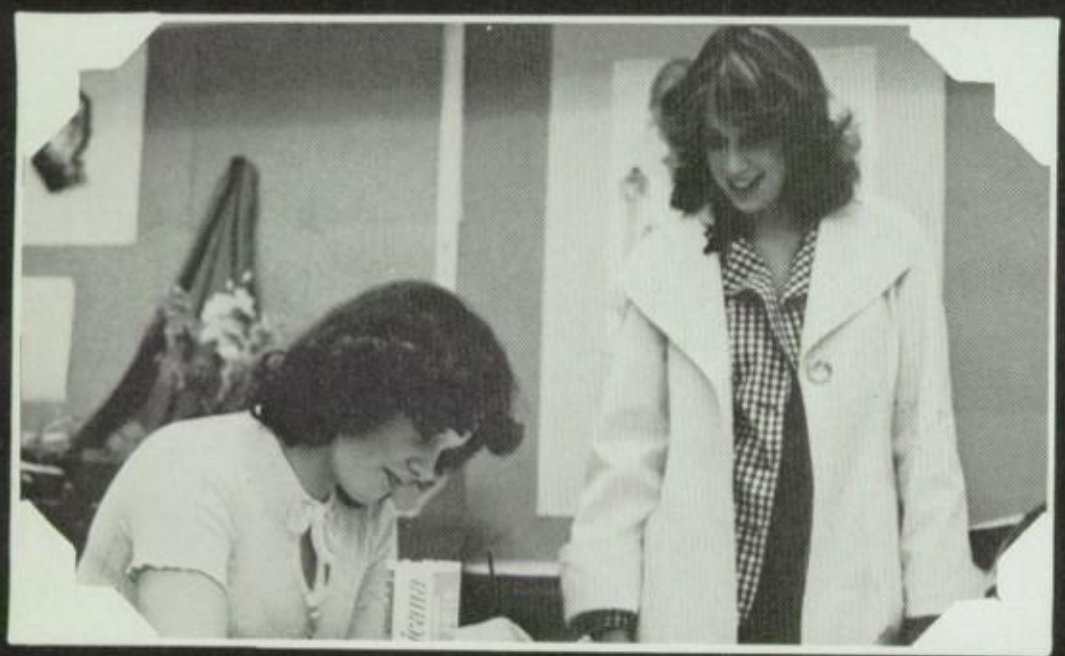
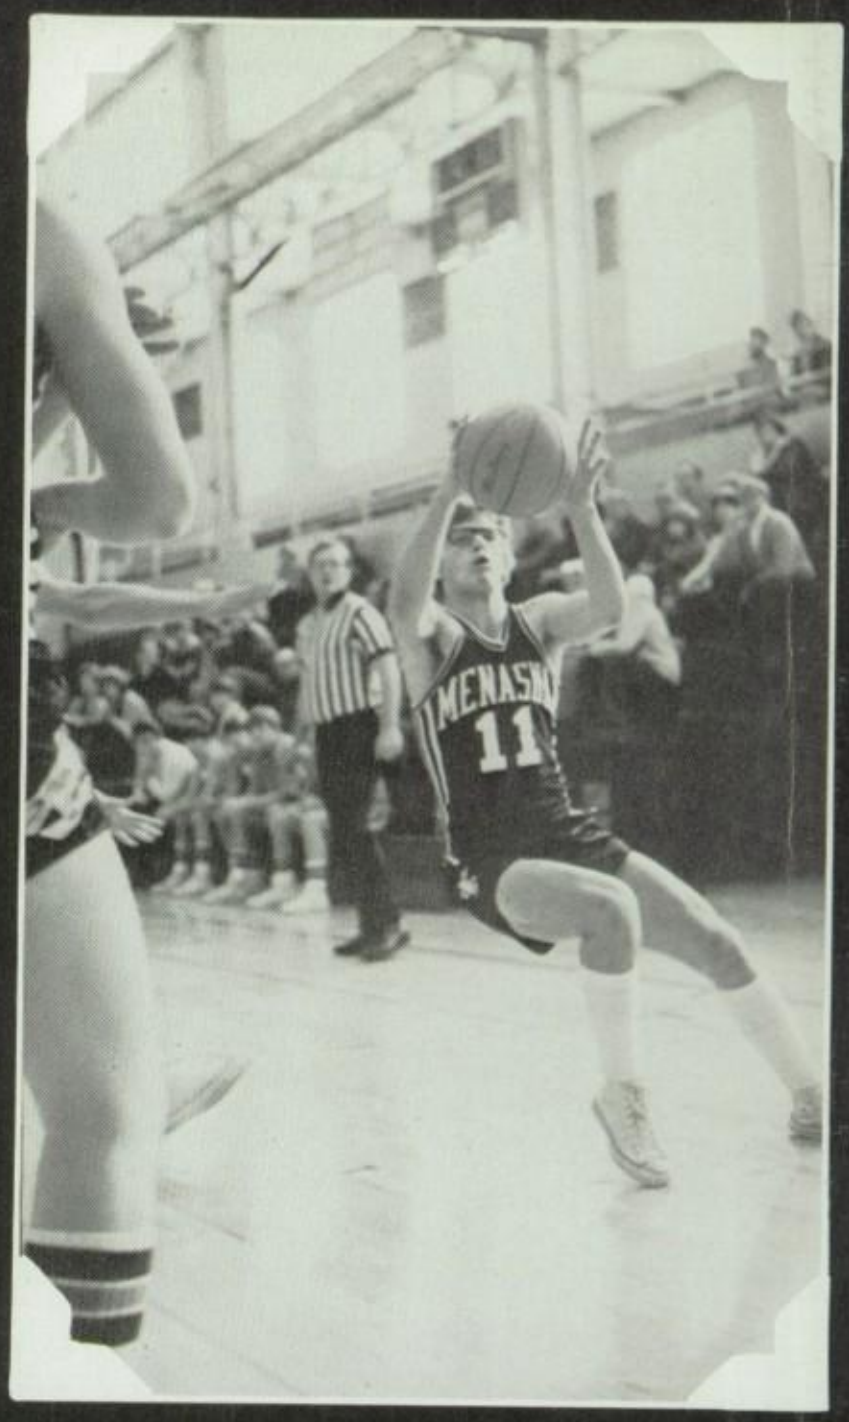
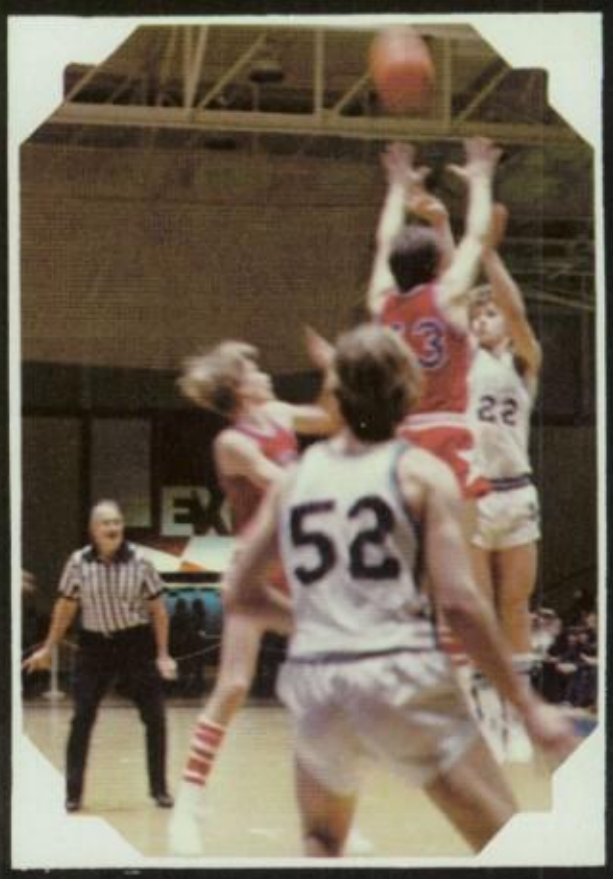
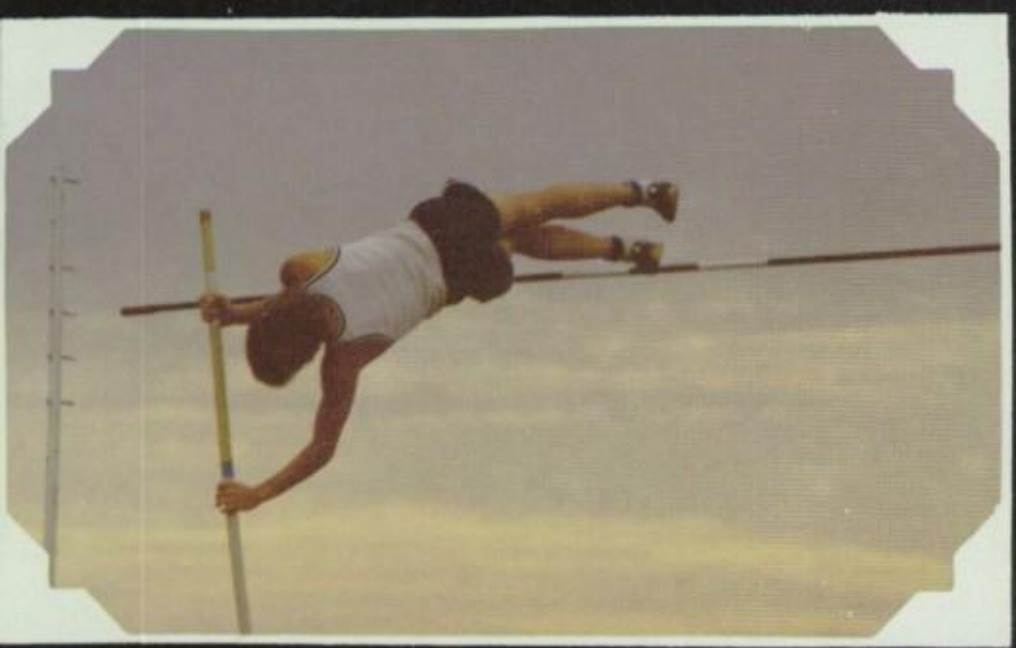
Good morning yesterday,
you wake up and time
has slipped away ....

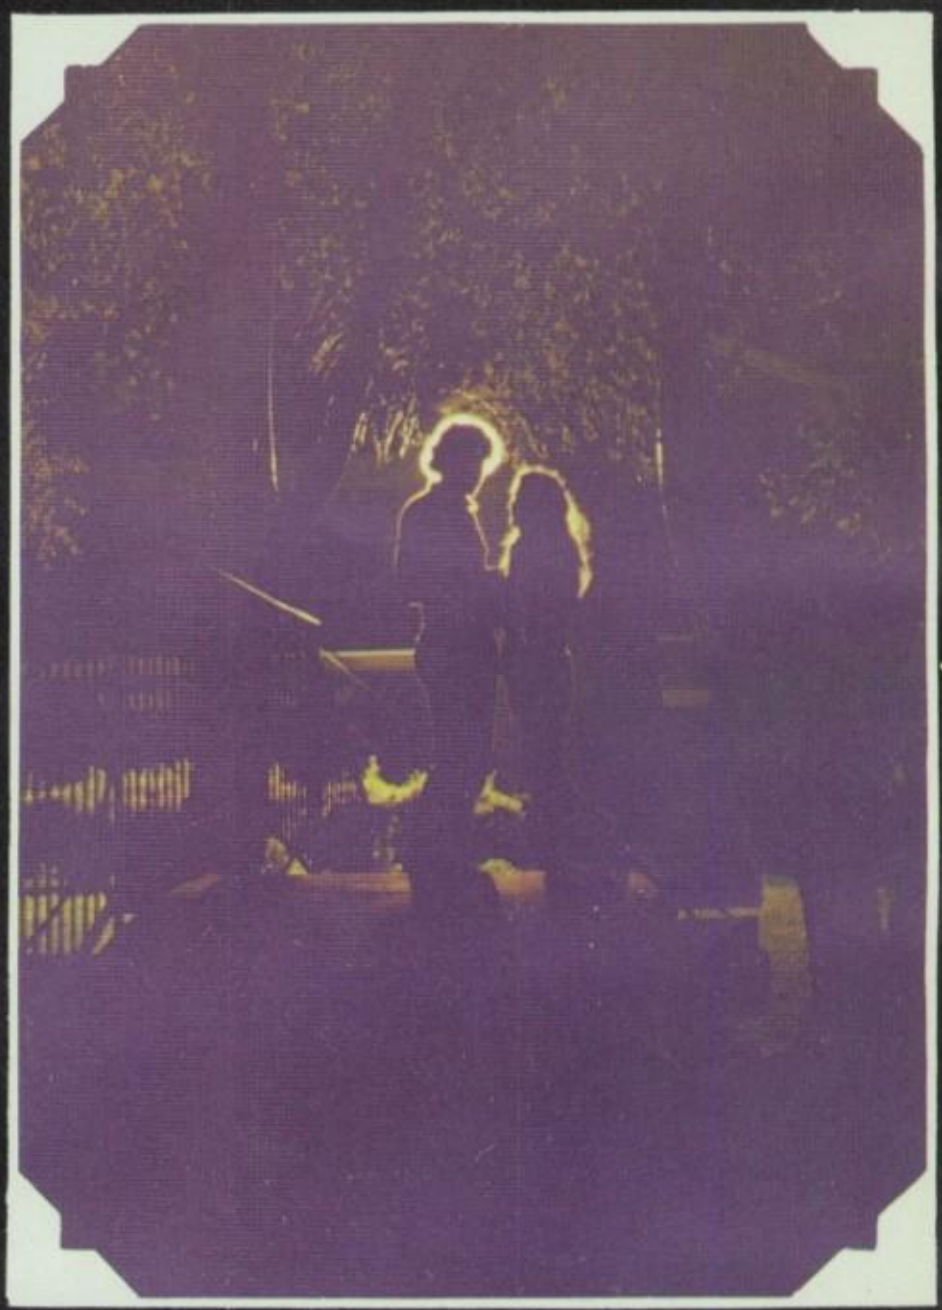




Do you remember the laughter and tears, the shadows of misty yesteryears?

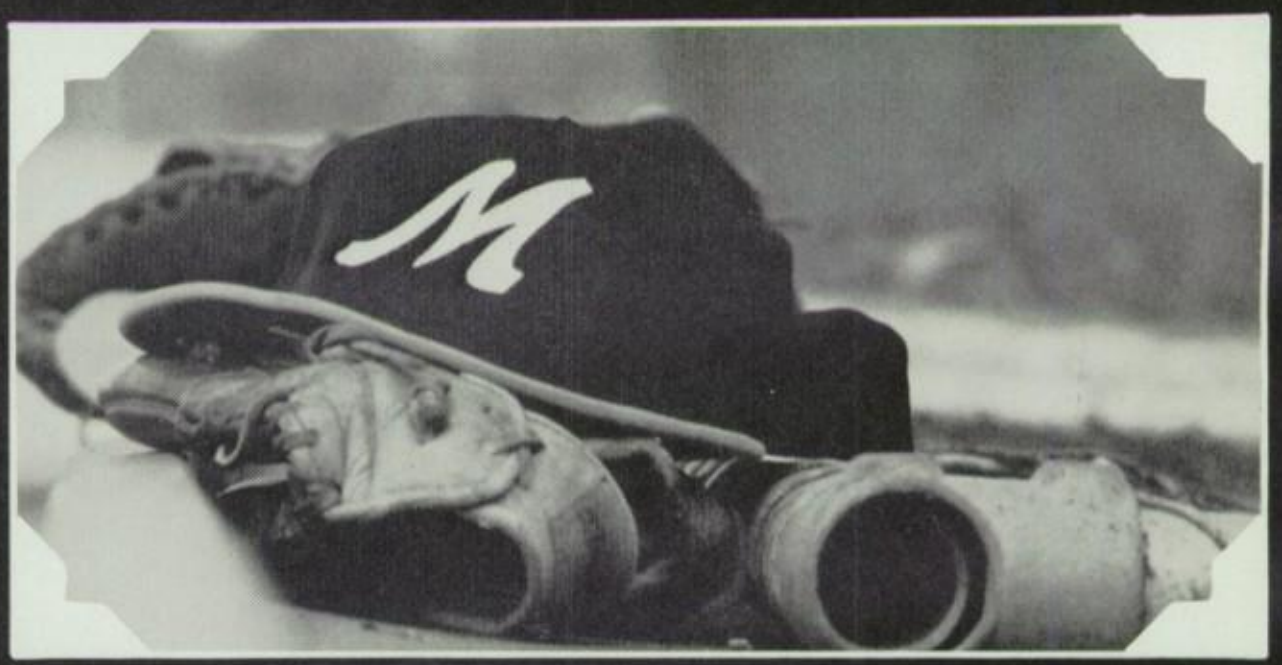




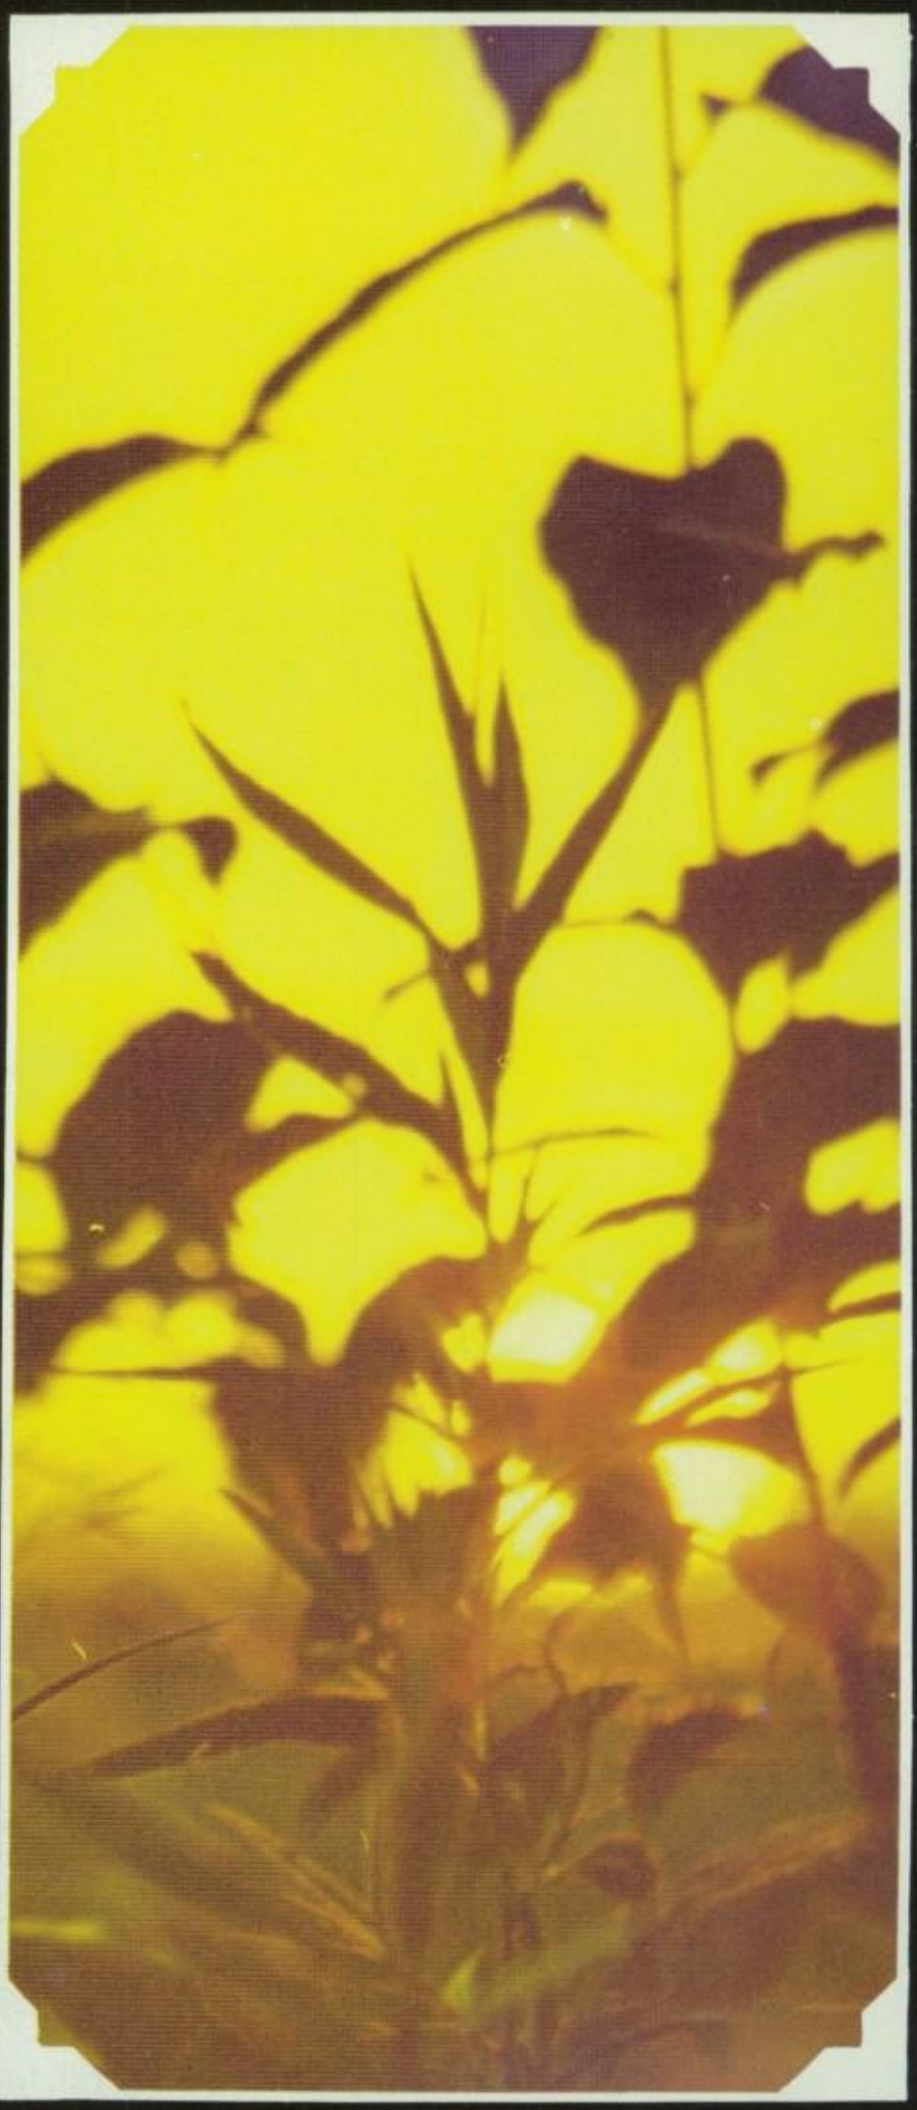


The good times and the bad you've seen and all the others in between ....

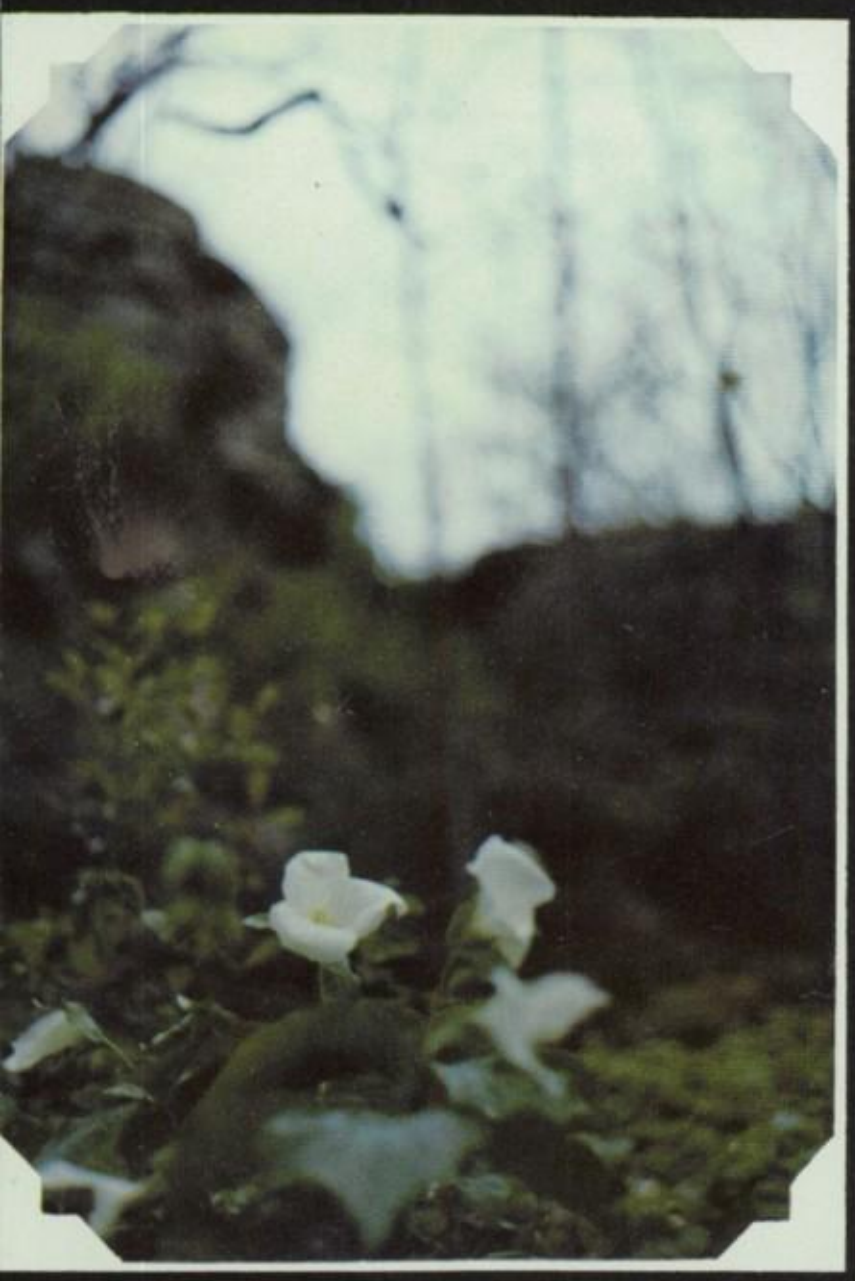
.... Reach back for the joy and the sorrow, put them away in your mind ....



.... For memories are times
that you borrow to spend
when you get to tomorrow ...



.... here comes the
setting sun, the seasons
sons are passing one
by one ....



.... So gather moments
while you may ....

.... collect the dreams you dream today ....

Will you remember the
times of your life?

Spring

The Spring of 1978 at Menasha High School could be remembered as a time of the expected and unexpected. It started with the spring musical--The Unsinkable Molly Brown--which was a success despite playing against the State Basketball tournament, which Neenah won as expected. The faculty and students put on EXPO '78, displaying the various projects and classes that the students had worked on all year. MHS was reviewed for two full days by the North Central Evaluation Association, which accredits secondary and primary schools in the Midwest. The girls' softball team won their first regional crown and were runners-up in the sectional finals. The boys track team broke seven school records and one conference record. The girls' track team went out and broke two-thirds of their old records, finishing a close second in regionals and qualified three girls for the state meet in Madison. The boys' tennis team qualified for state the eighth time in ten years. The baseball team was the biggest surprise. Entering the state tournament with a 5-9 record, they placed first in their regional and sectional playoffs and earned a birth at the state tournament in Wausau. The Jay players fell in the bottom of the seventh on a two-out, two-strike, bases loaded double in front of a crowd that consisted of three bus loads of students.

The Spring of 1978 was a time of expected and unexpected events in the world also. While President Carter's popularity fell in the public's eye, the first brother's rose. Movies that made a great impact on society were "Oh God!," "Close Encounters of the Third Kind," and "High Anxiety."

MHS students presented "The Unsinkable Molly Brown" as the '78 spring musical. Long hard hours made the show a success. The cast was well received by the audience both nights.

In the title role, Carrie Davel played Molly Tobin, a tomboy from Missouri. She traveled to Leadville, a mining town in Colorado. There she met and fell in love with Johnny Brown, a miner with great luck. After they were married they moved to Denver, and did their best to fit in with the "beautiful people." They soon found that their hillbilly ways were not acceptable, so they took a trip to Europe to acquire some class. While there, Molly fell in love with a prince. However, she soon realized that she still loved Johnny and returned to him in Leadville.

1—Combined with his directing responsibilities, Mr. Werley plays piano for the opera. 2—The chorus conveys the story through their dancing and singing. 3—Carmen, (Jane Gumpert) sings to the chorus, depicting her forthcoming death. 4—Don Jose' (John Stofflet) and Miceala, (Ruth Thompson) sing longingly of their home.

The Chamber Singers, under the direction of Mr. Werley, took on a large class project for the '77-'78 school year. For the first time in MHS history, the students presented an opera. The idea was conceived in the beginning of the year as an end of the year project. After much discussion, George Bizet's CARMEN was picked as the offering. CARMEN was the story of a beautiful gypsy who fell in love with a soldier, Don Jose'. He is taken under her spell and left the army. Carmen grew restless of Don Jose' and found a new lover, Escamillo, the bullfighter. Her gypsy friends warned her that Don Jose' would try to kill her for her unfaithfulness to him. Carmen consulted her cards in order to determine whether or not this is true. She drew the ace of spades, the death card. This told her that both she and Don Jose' would die. As the opera closed, Don Jose' pleaded with her to return to him. She refused him and was killed by his sword.

Carmen was the last major production undertaken by Mr. Werley at MHS. He left the education field and began a job as a businessman in Milwaukee. We thank Mr. Werley for what he did for the MHS choirs, and we wish him the best of luck.

With lights dimmed and the picturesque setting of Shakespeare's ROMEO AND JULIET, 1978 prom-goers enjoyed the sights and sounds of junior efforts to make a successful prom. A scalloped ceiling and the illusion of flickering stars loomed over their heads while they walked through the fog to dance to the music of Twist. Post-prom concluded the evening at Boy's Brigade.

Boy's Track breaks seven school records

The Menasha High Boy's track team gained new recognition from the F.V.A. as they finished ahead of 31 teams out of 54, giving the team a .574 winning average.

The Most Valuable Player Award was presented to J. Taggart, while Most Improved went to J. Depner.

Seven school records were broken this year. Indoor records set were the four lap relay by J. Depner, D. McFadden, S. Mentzel, and J. Taggart with the time of 1:39.9. Long jump went to M. Tesch, who jumped 20'4½". B. Rolf set the record of the high jump with 5'10". The indoor and also the outdoor records were set by the 880 relay team, consisting of: J. Depner, D. McFadden, S. Mentzel, and J. Taggart, with a time of 1:32.8. The 330 low hurdles record was set by K. Vanden Boogaard with a 39.8 second effort.

Girls smash school records

The past season was a very rewarding year for the girls track team. They set 11 indoor records. They also set 13 new fieldhouse records, and 8 outdoor records. This contributed to their successful season. The team remained undefeated during the entire series of meets. The team placed second at regionals. Special awards were given to captains: Sue Wittmann and Jane Reiland. The Most Valuable Players were: Sue Hildebrandt and Judy Rosch. The Most Improved participants were Trudy Kluba and Laurie Hoffman.

JV record shadows potential

The J.V. baseball squad garnered a five and eight record under Coach Waldvogel, in his first year as the J.V. baseball coach. Although the team didn't have that good a record, Coach Waldvogel said, "The record didn't show the true potential of the team; I feel the guys are very good ball players!"

Hitting honors went to Kevin Walburn and the captains were Tim and Tom Lornson. The MVP award went to Kreg Schmitting.

Varsity baseball team goes to State

The Varsity baseball team was again directed by Coach Rudolph. They accumulated a 9-10 record and a trip to the state tournament. They entered the regional tourney and beat both Neenah and Kimberly, the Neenah win coming from Tim Geibel's four run homerun. The Fox Valley conference champions, Appleton East were next. In a hard fought game, Menasha triumphed 1-0. They beat Manitowoc and advanced to State against Eau Claire Memorial. Menasha was ahead in the fifth inning 3-2 when Eau Claire went ahead and won by a score of 5-4. Coach Rudolph looks forward to the 1979 season because of improved play by last year's juniors and sophomores.

Fall

Fall: The opening of school; checking up on friends left behind three months ago; making new friends after you find out your friends didn't program the same as you did; the excitement of starting your first or last year at Menasha; scoping out the new students; planning a toga party; worrying about getting a date for Homecoming; will the football team beat Neenah? who will get the first place float?

A brief rundown of the fall highlights: Varsity football won three and lost six. Brad Westphal gained over 1,000 yards and was named to the UPI all-state team. The JV football team ended with a 9-1 mark finishing first in the conference. Boys CC won two invitationals and finished third at regionals. The girls cross country team was F.V.A. and regional champion and finished ninth in state.

The girls volleyball team went through a disappointing season with no wins and 20 losses. The girls tennis team finished with 13 wins and 2 losses and placed second at regionals, sending the team to state.

Homecoming was reigned over by Queen Kathy Mulvey and King Bill Hoffman. The seniors somehow managed to tie the juniors in the class competition, and the Jays lost to Neenah 22-12. The fall play was the humorous comedy "Charley's Aunt." The play was well received by the students and community.

Outside of school Ben Abruzzo, Maxie Anderson, and Larry Newman became the first to cross the Atlantic in a balloon. Lee Dreyfus was elected govenor of Wisconsin in an upset election. The Yankees won the the 75th World Series. The Packers battled for the central division title and a creature named Mork arrived from Ork.

Audience is responsive to comedy in "Charley's Aunt"

"Charley's Aunt," the 1978 fall play was a definite success shown by the favorable reaction from the audience. Jeff Jackson who portrayed Lord Babberly, impersonated Charley's Aunt from Brazil. He charmed the audience with his wit and hilarity.

When Jack and Charley (Dave Hansen and David Grist) invited two young girls (Kerry Kolosso and Darlene Konkle) to visit them at their college, they immediately realized they were in need of a chaperone. Luckily for them, Charley's Aunt, Donna Lucia (Beth Lewandowski) was expected for a visit. However, they received a telegram informing them of a delay in her arrival and were forced into finding a replacement—Lord Fancourt Babberly. The climax of the play came when Lord Babberly revealed his true identity and Donna Lucia revealed hers.

This year's play was directed by Mrs. Baxter who left MHS two years ago as Miss Wingate. The cast welcomed her back with open arms which aided in the success of the play. Bill Busch served as student assistant director.

Floats and games show student participation

This year's Homecoming festivities proved to be more competitive than years past, with the Juniors and Seniors sharing first place wins.

Juniors displayed their class unity by achieving first place in the games and the skits. The Senior's float, entitled "We're Not Lion We'll Swallow Anything But Defeat," captured a first place win. The Sophomores had their first attempt at constructing a float with their theme "Rockets Will Never Touchdown."

Although the Jay's were defeated by their long-standing rivals, the Neenah Rockets by a score of 22-12, spirits remained high throughout the hard-fought game.

"Hickory Grove" served as the theme for this year's homecoming dance, with Kathy Mulvey and Bill Hoffman reigning as King and Queen. Student Council members were the organizers of all this year's homecoming events.

Young team shows effort

The Menasha Boys CC squad was a young team; only two members were seniors. Coach Hamilton began his first year as coach and said that improved attitude was the biggest goal reached. The team finished first at Roncalli and Ashwaubenon, while also finishing third at regionals and seventh at sectionals.

F.V.A. champs 9th at State

The Girls cross country team experienced an extremely successful season, including a trip to the state meet at Madison. The girls took first place at six of their eight meets, finishing second in the other two. The team went on to place first in the very first F.V.A. girls cross country meet and second at sectionals, which earned them the trip to State. At the finish of the season, the girls placed ninth at State.

Winning record sends swimmers to State

The girls swim team picked up from where they left off last year as they pulled together with six wins, and only three losses. They broke nine records during the year and took third in conference competition. They also took fifth in sectionals. Qualifying for state was Jean Ehlers who placed ninth in the 100 yard breaststroke. Jane Gilbert qualified for 100 yard freestyle and is now seated sixteenth in the state. The 400 yard freestyle relay team of Carrie Kovalski, Kelly Corrigan, Jean Ehlers, and Jane Gilbert placed thirteenth in the state meet.

Netters slice through a smashing season

The girls tennis team had a smashing season. Their season record was thirteen wins and two losses. At conference, the singles players Sue Rosch, Judy Rosch, and Barb Van Lieshout proved their championship abilities. In conference doubles, two teams took second place, while one team took the championship. With a total of 12 points at subsectionals the girls doubles teams of Judy Rosch—Sue Rosch and Deb Bauman—Sue Reichelt, plus singles player Barb Van Lieshout placed first in their division. At sectionals the girls took second place qualifying the whole team to go to state. This was the first time the MHS girls' team did so. The team then dropped all but one first round match as they amassed a total of two points.

Girls battle for a win that never came

The 1978 Varsity volleyball team, coached by Miss Mader, finished the young team's season without a victory.

The JV team showed improvement over the Varsity by ending the season with a record of 5-11.

The coaches were impressed by the girls' "never say die" attitude which kept many matches close.

The Menasha JV football team was again under the guidance of Coach Tim Olson. The team had a very successful year, accumulating a 9-1 record and a first place finish in the Fox Valley Conference. They scored the most points ever for a Menasha JV team and gave up only 7.6 average points per game. A winning streak of the first six games was one of the highlights of the season. Impressive victories were scored upon Appleton West, Plymouth, Manitowoc Roncalli, and Appleton East. A mild setback was then set against them, as they lost 27-26 in overtime to Two Rivers. The JV's then bounced back to win their last three games and secure Coach Olson's first championship.

Team spirit remains high throughout season

With a big first win over Oshkosh North, the Varsity squad showed the spirit that persisted through the season. Head Coach Corrigan stated, "We didn't win all we should have or wanted to, but they were always ready to go on Mondays." Brad Westphal highlighted the season breaking every rushing record at Menasha. Corrigan also said Westphal gave credit to the people up front.

The captains were Paul Sell, Steve Mentzel, and Mark Fox. The Most Valuable Player and Most Valuable Back both went to Brad Westphal, with Most Valuable Lineman going to Pat Schwanke. The Most Improved Players were Dan Nett and Kevin Barwick. Jim Johnson received the new spirit award. All conference awards were received by Pat Schwanke, Brad Westphal, and Randy Ropella. Pat was the only conference player to be picked for first team offense and defense. Brad was also elected to the UPI all-state team.

Winter

Winter--the only thing in Menasha that can make a winter to remember is beating Neenah in basketball. It took three games to do it before it happened. The scene was the Oshkosh North Fieldhouse; at stake was the WIAA regional championship and the opportunity to remain alive in the state tournament. For Menasha, it would be the last chance to beat Neenah after two heart-breaking losses. One loss was by one point in overtime; the other loss by three points after the Jays led by nine in the third quarter. Twenty minutes before game time the stands were full, with Blue Jay fans starting their pre-game cheering by tossing styrofoam frisbees with "Neenah sucks" stenciled on one side. The Jay Star Patrol provided streamers and kazoos for musical entertainment.

The Jays took command early in the game with a tough defense and control rebounding to lead the defending state champs by 11 at halftime. In the third quarter the Jays doubled the lead to 22 at one point and won 81-69 in front of a dumb-founded Neenah crowd. The victory celebration lasted for 15 minutes as the Menasha fans hoisted the Blue Jays on their shoulders to tear down the nets after accepting their trophy.

The sport highlights at MHS include Ted Tornow's Jay Invitational championship at 185 pounds. The 400 yard boys freestyle relay team captured a first at the Appleton West Sectionals and went on to finish fifth at State after being seeded 15th out of 18 teams. The girls Basketball team advanced to the regional finals where they lost to defending state Champion, Neenah. The Intramural Champions "Clem Massey's Rejects" consisting of seven Seniors, beat the faculty team 70-65. The boy's Basketball team tied for second in the FVA, their best finish in the FVA, and had their best season since 1964. They beat Neenah in tournament play for the first time since 1962.

Parker receives MVW

Although the 1978-79 Wrestling Team did not have a winning season as far as the team record was concerned, they did reach many of their personal goals. For example the Jays took 1st, 2nd 3rd, and a 4th place in the Jay Invitational. Ted Tornow also qualified by beating a Winneconne wrestler with a much better record.

Receiving special awards at the banquet were: Ted Tornow, who got the Thomas D. Jacobson award; Tim Parker, received the Most Valuable Wrestler award; Paul Barker received the Coach's award, and Cody Kasten was awarded the Most Courageous Wrestler award. The Most Improved trophy was given to Mark Holewinski.

1—Tim Parker got a two-point takedown in the Jay Invitational. 2—Cheerleaders are from left to right: Michelle Mortensen, Lynn Schramm, Cathy Kranzusch, Sue Laus, Kim Smith. 3—With his ankle stuck, Cody works for a takedown. 4—Dean puts his opponent in a familiar position, on his back. 5—In his consolation match Dean pins his man to get a third place medal. 6—Cody goes for an ankle snap in his consolation match. 7—Working for a takedown looks more like a vacation for Ted in his second round match. 8—Top row: Coach Pawelkiewicz, Paul Sell, Cody Kasten, Ted Tornow, Paul Barker, Don Skibba, Glen Gostas, Brian Fritz, Steve Mentzel. 400 Free 5th in State

The Menasha High School Swim Team had a successful year with the 400 yard freestyle relay team consisting of Mike Monfils, Jeff Stepanski, Craig LaCount, and Dave Henselen finishing fifth in the State meet. Jeff Stepanski also finished 11th in the freestyle with a time of 22.631, and Craig LaCount also swam in the 100 yard freestyle finishing 18th with a time of 50.66 seconds. "As a team, the 15 swimmers performed excellent throughout the year," said Coach Brian Radichal. Overall the team was 3-3 in dual meets and placed second in the Terror Relays.

The most improved swimmers this year are Mike Monfils and Dean Bergstrom. Craig LaCount, Mike Monfils, Dave Henesler, and Jeff Stepanski are the most valuable swimmers. Receiving their Varsity letter are: Dave Henseler, Jeff Stepanski, Dave Gardner, Jeff Witt, and divers, Greg Otte and Brent Walbrun. Dean Bergstrom, Tom Reinke, Mike Duzak, Jerry Bevers, and diver, Jeff Plier are receiving their plaque as a second-year Varsity award. Craig LaCount, Mike Monfils are receiving their datelines for a fourth-year Varsity award and Ron Duzak is receiving his dateline as a third-year Varsity award.

Young team shows excellent attitude

Commenting on the girls 6-19 season Coach Christian said, "Overall, we were a young team with an excellent attitude. Much of the season we carried four sophomores and two seniors, due to injuries to two other seniors. The team worked hard and showed improvement each game."

The team was captained by Jean Zeilinski who was also the team's leading rebounder. Sue Reichelt lead the team in scoring and free-throw shooting. The Hustle Award was given to sophomore Judy Geibel.

Varsity captures second in FVA

The Varsity, coached by Mr. Massey, had a very successful season. During the 1978-79 campaign they were 14-4, second in the FVA, and rated as high as 12th in the state.

The Jays began their season by soundly beating their first four opponents. Two of those games were conference.

The fifth game was a tough encounter with Appleton West. Although playing with determination, the Jays were handed their first defeat.

A couple of big wins were in order. The Jays responded with defeats over Appleton East, Two Rivers, and Kaukauna. After the Kaukauna win, Coach Meyers said, "Menasha High has the best team in the conference."

The Jays then met Neenah in the first encounter. A mild setback was administered as the Jays lost in overtime. Menasha then won their next two games, setting up a return match with AHS-W on the Terror court.

The Jays lost, but a couple of wins preluded the 2nd game with Neenah. The game was exciting, the Jays finally losing by a slim margin. Oshkosh West was the final victim on parent's night.

Organizations

Approximately 25 percent of the student body is involved in one or more of the many organizations at Menasha High. The most popular club continues to be Pep Club with about 75 active members.

Michelle Mortensen, one of the most active students at Menasha, feels clubs involve students socially, promote school spirit, provide responsibility, "and best of all they're a lot of fun." Student organizations also provide valuable community relations with the school, entertain students, and develop skills for career and travel opportunities.

Involvement in clubs provides students with experiences they will remember far longer than their classroom experiences.

The 78-79 Menasha High Band returned to a one band concept. Gone were the smaller band groups, as the students combined to make one large band. The band was again under the direction of Mr. Jensen. A small jazz band called J. J. and the Dixie Cupps, which emerged last year, was again full strength and it provided fine entertainment for all. The entire band performed at halftime as well as during the football games. A pep band was organized and it helped promote school spirit for the basketball games. The band also performed a Christmas concert and a Spring concert.

The Sophomore-Junior and Junior-Senior choirs worked very hard this year in order to perform in their many concerts. The Madrigal choir stemmed from these two choirs, consisting of 23 selected students that sing for community groups and functions. Their songs range from contemporary literature to a few popular songs. It is a very dedicated group and they spend a lot of their spare time practicing.

Madrigal choir and 15 other specially chosen people went to THE FESTIVAL OF THE ROCKIES in Denver, Colorado in the beginning of May. It was a huge success.

Pep Club sparks enthusiasm

Pep Club was in charge of Homecoming week. They set up the games, let off balloons at halftime, and it was the first year they put on a skit at the Homecoming games. They made posters after school and were in charge of selling the "Beat Neenah" T-Shirts, "Menasha" sweatshirts, buttons, and bumper stickers. The officers for Pep Club include: Michelle Mortensen, President; Molly Mayer, Vice-President; Patrice Herubin, Secretary; Julie Reinhart, Treasurer; and the Advisor, Mrs. Reinke

Home Ec. Club supplies a variety of interesting activities during the school year. Activities they sponsor are: Super Jay contest for Homecoming, group dinner, and making and selling Christmas candy. New activities this year include: free sewing at noon and making a quilt. Officers for Home Ec. Club are: Sandy Palmer, President; Ellen Roemer, Vice President; Luann Pontow, Secretary and Treasurer.

This year's Ecology Club functioned mostly in the winter. They did a lot of skiing at Bubolz Nature Preserve. Some of the members were participating in the ski patrol program at the hill. They also learned about ecosystems and land conservation. The club members also grew to have a better understanding of his environment and resources.

Future Business Leaders of America is an organization which has annual doughnut sales, sponsors a dance, and has a car wash to raise money to send members to future contest in business skills. Other events are: a field trip to Fox Valley Technical Institute and a banquet. This year they have added a point system to their club.

England, Austria, and Thailand are the foreign countries represented by AFS this year. Debbie Hindson is our AFS student from Manchester, England. For all who were able to get to know Debbie, they found that she is a very warm and nice person. Debbie was equally impressed with the people of Menasha. "They were very warm and friendly towards me, and they made me feel very welcome in my new school." Debbie lived with the Ron Day family.

Our two Americans Abroad this year were Lisa Mattern and Bill Busch. Lisa spent the summer working on a farm in Lobendorf, Austria. Lisa will mostly remember "the helpful and friendly people of the small village. Whenever you meet someone, they extend their hand in a show of friendship that is very typically Austrian."

On the other hand, Bill was on the other side of the world in Cheing Mai, Thailand. Of the Thai people, Bill, will always remember "their 'mai pen rai', (never mind) attitude for everything."

The AFS Club was very active this year. During AFS week, the club sponsored many activities including: ice cream and hot dog sales and the "penny parade". A total of $490 was raised. The money is used to send students abroad for either a summer or a year, and to bring foreign students to MHS. Many friendships are made because of AFS, and all are hard to break. Although Debbie will be going back to England, her warmth and friendly smile will remain in the hearts of the MHS students.

Forensics and Debate triumph

Debate is comprised of researching, writing, persuading and arguing on a given topic. The topic used in all of this years debates was "Energy Independents".

The students put forth much effort to succeed in winning their arguments for and against "Energy Independents"

Forensics is comprised of many forms of public speaking. Poetry, prose, play-acting, and demonstration are a few of the catagories involved. Students are judged on pronunciation, originality, and memorization. With the help of the coach, Mr. DuFour, many students were able to achieve A and B ratings. This years team was the largest of all preceding years.

New year brings color to "Nicolet"

With a doubled staff of over 30 students and two new advisors, the "Nicolet" has shown marked improvement in quality. Experience was quickly gained as the entire staff attended a one-day seminar at FVTI for yearbooks. Also during the summer, Editor, Greg Borchardt and Mrs. Wildenberg attended a week-long yearbook camp in Whitewater.

"Nicolet 79" features eight full-color pages and the theme "Will You Remember the Times of Your Life?" This theme was chosen by the staff because your high school years are "The Times of Your Life," and we hope you will remember them.

German students utilize heritage

Under the direction of Frau Stirniman and President, Kari Eaton, the German Club engaged itself in many activities. A trip to Milwaukee for the "Holiday Folkfair" and Christmas caroling were a few of the activities. Lisa Mattern and Vicki Schwonek showed slides of Austria and Germany respectively. The German Club gives German students a chance to use the language and to participate in German related activities.

This year's Intramural teams have had tough competition all year, keeping up the intramural tradition. According to some Seniors from "Clem's Rejects" the talent this year surpasses that of any other year and probably will never be equalled.

Council plans events

The 1978-79 Student Council had an active year. They went caroling before Christmas and earlier in the year had a "very successful Homecoming" according to Jeanne Gregg, the Council President. Another activity that raised a lot of attention was the No Smoking Campaign that lasted one week.

This year's Student Council did away with the parlimentary procedure that has been traditional in the past. With Jeanne Gregg as President, the Council had the following officers: Michelle Mortensen, Vice President; Jeff Rudolph, Treasurer; and Jane Gilbert, Secretary.

Soph-omores

Sophomores must experience the awkward feeling of being placed in a whole new environment. They face the fears of being lost in the halls, final exams, all those giant upper classmen, Mr. Pelton, and finding all their classes on the first day of school.

The many exciting moments they experience makes up for their fears. Some of these include meeting that Senior they've been fantasizing since the first day of school, meeting the many Sophomores from the "other" junior high, getting away with Sophomore pranks, being invited to a Senior or Junior party or having their own.

The Class of '81 is a class that possesses a tremendous amount of enthusiasm, school spirit, and pride. The work they did on their hall decorations and float plus the high amount of Sophomore participation in the clubs and activities available to them, typifies "Blue Jay Spirit," and Menasha pride.

Juniors

When a student reaches his Junior year, he is at the halfway mark of his high school education. He now begins to accept more responsibilities for his future opportunities. The question of further education now enters into his mind. Armed forces, finding a job, getting married or doing nothing are among his choices. The decision is his and it will creep up on him before he knows it.

The Class of '80 has made a tremendous comeback from a disappointing sophomore year. The class is now bursting with spirit and enthusiasm. The Junior class became successful during Homecoming week when they won firsts in their hall decorations, their flag football team, and their skit. In overall competition the Juniors tied for first with the Seniors. They plan on continuing their fine tradition of winning during their Senior year.

In the Junior class there is much involvement in school activities and community clubs and organizations. With one year behind them and one year yet to come, the Juniors must use their experiences from the past to get through the future.

"There was never a lack of involvement," says Lori Radtke, Junior class president; "and each Junior contributed to the success of this year." As the year comes to a close, the friendships between many Juniors and Seniors may have to end, but the memories will always remain.

Seniors

Ahhh...to be a high school Senior. It's something you've dreamed about since kindergarten. To be the biggest kid in school and not worry about being knocked around by all the bigger kids. You are now thrusted into roles of leadership and responsibilities.

In the beginning of the year, the college-bound Seniors worry about their SAT and ACT test scores and whether they are high enough for scholarships. Will they get accepted to that exclusive college, celebrating their 18th birthday ahead of all their friends.

Trying to whip the Sophomores and Juniors in class competition during Homecoming week.

As the year progresses, Seniors worry more and more about their future as graduation approaches. Will they have enough credits to graduate, will their gown fit, and how many quarter barrels to order for their graduation party. On the lighter side, will they get that mill rat job or take off and travel in the summer. Will our basketball team beat Neenah, will they go to State.

The Seniors throughout their three years at Menasha, worked together to create one of the finest sophomore floats ever built, as Seniors their float "We're not lying" took first place. As Juniors they worked endlessly decorating the Old Gym into a land of old with gardens, water fountains, a castle and a sky blue ceiling. The Seniors were commended for their awareness and advanced preparations of their careers.

Class President Paul Sell said, "The Senior Class of "79" is a class that had been underated but came through and proved itself in all aspects. Throughout out three years we gained leadership, experience, and most importantly, togetherness."

Faculty and Adm.

The team concept has been utilized by the school district's principals and vice principals. They hold bi-monthly meetings at which recommendations are made to help the superintendent and the school board in decision-making processes.

The faculty is divided into departments; each department holds meetings to discuss suggestions for improving their department. The chairperson of each department and the administrative staff also holds meetings. Mr. Van Lanen and Mr. Pelton have also started informal discussions with students and have continued them throughout the year. The many meetings are designed to increase communication with everyone involved in the school from the student to the principal.

Over forty percent of the faculty hold master's degrees. There are fifty-five full-time classroom teachers and four part-time teachers; for the student body of 1,100 this gives an approximate teacher-student ratio of 1-20. The staff members have clearly shown to students their pride in their buildings and in their job to advance the education of the students of Menasha High School.

The "Nicolet" staff wishes to thank the numerous people in our school and community who have given of themselves to make this yearbook a success.

Autographs

Jerry,
I didn't see very
much of you this year
but I guess that happens.
I hope to see ya this summer alot.
Some things still haven't changed
for me about you, but I guess that
will take some more time. Maybe
they won't this summer. Well take
care of yourself. Have a great summer.
Love + Friends
Diane

Jerry.

I think your a super person and I love
ya! at the beginning of the year was great.
If your ever bored call O.K. I really mean
that !!!! I hope you had a great year cause
I did, It all started out right. It ended good
too, you were really great in the talent
shows and I mean that !!

Have a
super
Summer

Love Ya
always
Wendy

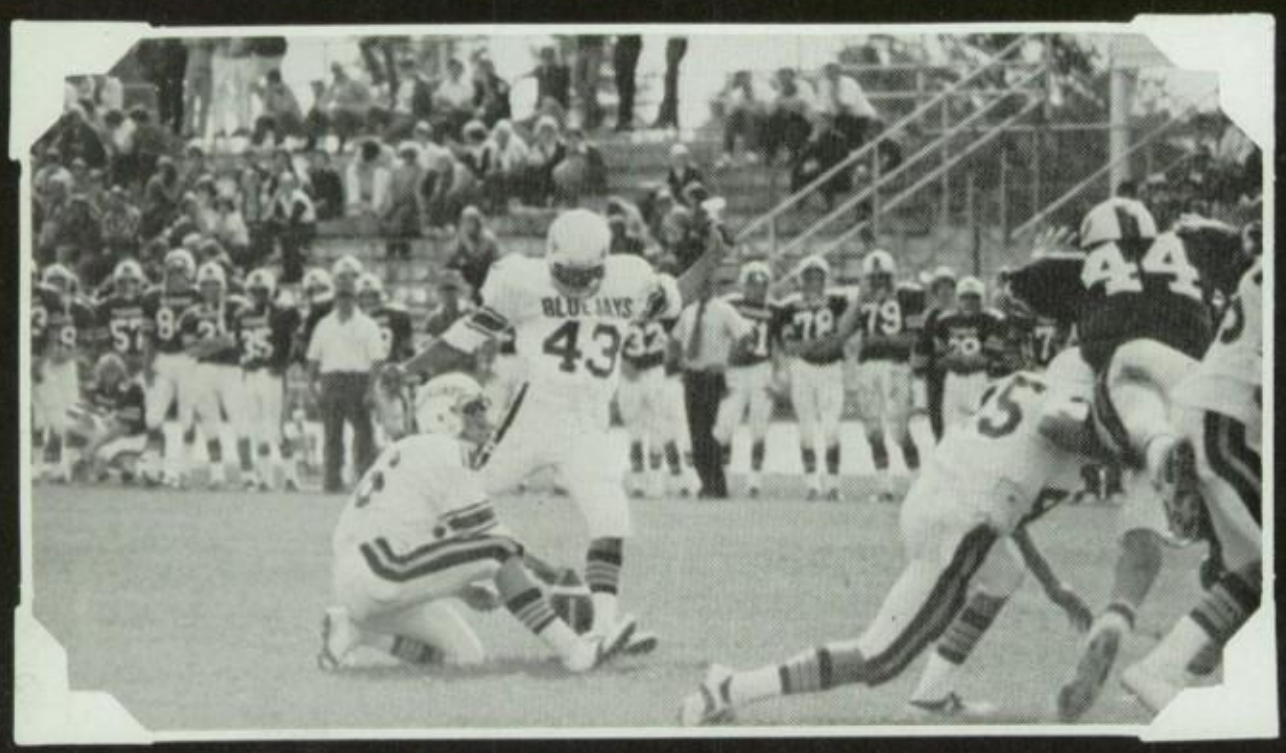
EXIT



Will you remember . . . .

Bucky.
Good luck
playing this
summer. Hope to
see you at all the
party going on. We
can ride around and
pick up some chicks.
Bernard

Bucky.
I'm really super
happy were good
friends. I really
think your a great
guy!!! Hope you have
a great future with
your playing cr I should
say guitar career.
Love & friends
always
Dawn

Bucky
We didn't have any classes this
year but we still became
good friends. You a really sweet
person. Maybe next year we can
get together and beat another
night! Only kidding. Have a
great summer and see ya
round Love
Jean

Bucky,

What can I say? We had the best time last summer and this year. Now we have another summer in front of us. It - I will guarantee - will be the best. Take care of Kim, she really excellent and I like her alot. Keep playing like a ultra lights and you guys will make it. I'm glad that you are going out for football for a reason. First you let everyone know to back that down to me a little rookie player that football pays to those

Jerry,

It's really GREAT knowing you, you're really a special kind of person! I'm sure we will have to get together this summer and make trouble around the neighborhood! For one thing - Pool hopping, it will be great! God luck from me always with your guitar and your future!

See you later,
Friends + Care
Jane

Hi Buck

Jerry

Buck,

your a real neat person with a great personality. I hope to see & hear on T.V & the Radio, good luck on your career. I know by your grip stick up you'll really go somewhere. You have a great summer & see up around

Love ya,
Jane
